VOL. XIII (2022)

„Studia Historica Gedanensia”

is an academic journal in the humanities publishing texts
on historical topics. It was founded in 2010.

It publishes thematic volumes managed
by editors specializing in a given field.

Journal Editors strive to assure that articles published in each
of the volumes cover the era of antiquity, through the Middle Ages,
modern times, to the nineteenth and twentieth centuries.

Submitted article proposals are discussed
at the meeting of the editorial committee, and upon receiving
its approval assigned to the reviewers
specializing in a given historical epoch.
